

To the FCC:

I beseech you not to deregulate the restrictions on cross ownership of broadcast & newspaper companies. The televised news on networks parrot one another, and it would be calamitous if those who control such programs took over the newspapers. This would give many no where to turn, as access to the internet and other alternative sources are inaccessible for some, and unheard of by others.

Do not let corporate interest tread on the public's!

Thank you ever so much for your consideration of my comments.

Sincerely,

Raven Baker
